1. Admissions/Advising

1.1. **Orientation to the Program.** The Social Work program provides an orientation to newly admitted MSW students in the face-to-face/hybrid programs. Online students are also welcome to attend.

1.2. **Criminal Background Information.** Please note, a criminal background may cause barriers to social work field placement, licensure and/or employment. Be aware that social work state licensure may be prohibited due to a criminal record. Do actively check the policy of the state in which you desire to obtain social work licensure for that state’s laws and regulations governing licensure in the particular state. Be aware that MSW graduates who are seeking employment are typically screened for criminal history by the potential employer. Employers typically screen for criminal history prior to hiring an MSW job applicant. Additionally, a mandatory review of an applicant's prior child abuse and neglect record may occur. Such prior records may prevent employment with an employer.

1.3. **Advising.** College advising staff are available to provide academic advice to students.

   1.3.1. Please contact our Graduate Coordinator, Heidi Waters at watersh2@nku.edu or msw@nku.edu for assistance.

   1.3.2. Each student engaged in field education (SWK 650, 651, 652) also is advised by the MSW Field Director, Kelly Fallon, fallonk2@nku.edu

1.4. **Transfer Credit.** The program’s policy and procedures for the transfer of credits is consistent with the university rules regarding transfer work published in the NKU Graduate Catalog. Additional notes regarding transfer of graduate course credit:

   1.4.1. The program does not grant social work course credit for life experience or previous work experience.

   1.4.2. Transfer of graduate/professional credits must be completed during the first term of enrollment at Northern Kentucky University.

   1.4.3. Courses accepted for transfer must have been taken at a regionally accredited college or university for graduate credit and have received a grade of B or higher. Credit earned through correspondence courses, MOOCs or work experience will not be transferred.

   1.4.4. Credit earned at another university must be submitted to the MSW Graduate Coordinator and MSW Program Director for approval must include a course description and other supporting documentation, such as syllabi and other course materials.
1.4.5. The decision regarding transfer credits and the applicability to specific components of the student's course of study will be made by the MSW Program Director.

Earning a grade below B- in any of these courses will necessitate repeating and successfully earning a grade of B- or higher to follow this policy. It will delay graduation term and may prevent enrollment in additional required courses (for example, field courses must be taken in sequence (see 2.2.2. below for more information) if the student has failed to earn a B- or higher in a pre-requisite course.

2.2.2. MSW students enrolled in the Advanced Standing program must complete 600 hours of Field Experience and MSW students enrolled in the Standard Program (both face-to-face/hybrid and online accelerated) must complete 900 hours of Field Experience. Each course is required to be taken in sequence.

2.2.3. MSW students must complete a capstone course, Applied Research II. Before enrolling in the culminating experience, students must have completed at least two-thirds of all coursework required for the degree program. Unless otherwise approved by the program director, all core
courses also must be completed, with the possible exception of one core course that may be taken concurrently with the culminating experience.

2.2.4. Students must adhere to the National Association of Social Workers (NASW) *Code of Ethics* and the Professional Performance Expectations outlined below.
