Notes: This plan is ONE way in which you can complete your degree program in four years; it is not the only way. It assumes that you have not had any prior experience in French. If you begin at a level higher than FRE 101, you will be able to take more electives. It also assumes that you are not a transfer student, and you are beginning in the fall. This plan includes a minor of 24 credit hours.

Be sure that you complete at least 45 credits at the 300 level or above. This means you must take at least 18 credits at the 300 level or above in your major, minor or electives outside the major/minor.

*Courses 300 level or above must include FRE 304, either FRE 401 or FRE 402, one FRE 480 and one FRE 481 course, two literature courses and two culture courses plus one elective. Courses may be taken in any order provided that prerequisites have been met.
